### ***REASONS FOR ALLOWANCE***

1. Applicant's arguments have been fully considered and are persuasive, see "Remark" on papers 4-6, filed 3/10/08, with respect to claim(s) 1-3. The claims are allowed by the following reasons:

As to claim 1, the prior art of record does not teach a probe particularly defined by characteristic of wherein the distance the edge part extends from the contact support part along the shared face is difference than the distance the edge part extends from the contact support part along an opposite face.

These features in combination with the other elements of the claim are neither disclosed nor suggested by the prior art of record.

The claims 2-3 depend from the claim 1, they are allowed for the same reasons.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
